

VOTER AWARENESS CAMPAIGN

To cast vote is constitutional and fundamental right of each and every adult who has voting card. By cast the vote he/she change the government at every level. But our people are not aware about the voting system. We all should cast vote because it's our right.

Aims & Objectives

- I. To make aware of the people about their voting that plays positive role in electing the government.
- II. To spread the awareness among the people that voting is their constitutional right to which they should use.
- III. To spread awareness among people that the voting is their integral part of democracy.
